

Celova® Care Powder

Material number: 7004881
Batch: 0003568614
Date of production: 25.01.2024
Original Best-Before Date: 25.01.2026
Re-Analysis Date: 09.03.2026
Extended Best-before date: 09.03.2027

Parameter	Specification	Result	Unit	Method
Form	powder	powder	-	Internal method
Color	white to off white	off white	-	Internal method
MFC content	40 - 60	44	%	Internal method
Residual moisture	≤ 10	6	%	Internal method
pH (@ 6%)	4 - 10	5	-	Internal method
Viscosity (@ 6%)	20 - 45	22	Pas	Internal method
Mesophilic aerobic bacteria	< 100*	< 10	CFU/g	ISO 21149
Yeasts and molds	< 100*	< 10	CFU/g	ISO 16212

*Due to inherent variability of the plate count method, according to USP Chapter 61 or EP Chapter 2.6.12, Interpretation of results, results considered out of limit if > 200 CFU/g

Material contains glycerol.
